How you heard about CFE _____

Simple Ways to Become Active in CFE

We are fortunate to live in a town that embodies historic New England: majestic trees, ancient stone walls, open space and working farms, in addition to being stewards of much of the region's watershed and public drinking water supply. Preservation has taken a great deal of work, not only by CFE but also by many other concerned citizens, organizations and those in leadership positions. We hope you will find your membership a rewarding experience. Please indicate below the ways in which you might like to become involved.
