The Easton Planning and Zoning Commission will review with outside consultant, Glenn Chalder, of Planimetrics, comments received as a result of the Public Information Meeting held June 20, 2018 at the Helen Keller Middle School, regarding the proposed update of the Easton Town Plan of Conservation and Development. This meeting provided an opportunity for Easton residents to learn about the Town Plan update and provide comments and feedback and now the Commission must distill these comments into possible changes to the update of the Town Plan.
